I wanted to share my story about what happened when I refused my tetanus vaccine after having cut myself with a knife at home. I want to share this story not as an example of what will or will not happen every time, but more so as an example of how itâ€™s important we stay open minded and question things before we

blindly accept them.

March 11, 2010. Susan Reed: I have unique insights into exactly how a reptilian body-snatches a human. He is a combination of a reptilian spirit in control of a human spirit having taken over a human body. His abduction is described, his remarkable abilities and characteristics, such as advanced mental abilities, his cruelty and fundamental malevolence.

Nikola Tesla said it best, "the day science begins to study non-physical phenomena, it will make more progress in one decade than in all the previous centuries of its existence. To understand the true nature of the universe, one must think it terms of energy, frequency and vibration." • Swami Vivekananda influenced Tesla's work, an Indian [!]

### **Benjamin Fulford: The world is about to find out just how**

Overview of the Current Transformation. By Donald Ware, 5 Mar 07 Our world is rapidly transforming to a new world while most of its inhabitants are still engaged in old ways of thinking and behaving. The new world is guided by wise humans who have learned that national governments are not authorized to join the galactic society.
