Weâ€™ve already touched on a basic definition, but now letâ€™s delve a little deeper into the question: â€œWhat is brand personality?â€• In simple terms, personality is the driving force behind your brand experience, the unique element that brings your company to life and makes it easier for you to create meaningful connections and relationships, rather than just transactional experiences.

Memorable or forgettable? What your brand personality says

The first step in understanding how to create an implementation plan is working out what a â€œbrand rolloutâ€• is. Creating an implementation plan involves looking at all the elements youâ€™ve created for your new, or redesigned brand, and considering how youâ€™re going to introduce them to the world in a calculated and effective manner.
