Sick of the Job: Nebraska's First Territorial Governor 12/13/2018. The very first governor of Nebraska Territory was in office for all of two days.

Welcome | History Nebraska

A state can be distinguished from a government. The government is the particular group of people, the administrative bureaucracy that controls the state apparatus at a given time. That is, governments are the means through which state power is employed.

Mass surveillance is the intricate surveillance of an entire or a substantial fraction of a population in order to monitor that group of citizens. The surveillance is often carried out by local and federal governments or governmental organizations, such as organizations like the NSA and the FBI, but it may also be carried out by corporations (either on behalf of governments or at their own ...
