The Art of Street Photography - Eric Kim

Going Candid is Leuthard's third street photography eBook in the list and according to its subtitle, it's an unorthodox approach to street photography. To this end, the first page of the eBook contains the outrageously unfunny quote: "Street photography is like a box of chocolates. You never know what you're gonna get." Echhhhhh!

Zen in the Art of Street Photography v2 - Eric Kim

Collecting souls... or what Street photography means to the author, is written by Thomas Leuthard, and it is a kind of reflexion about this controversial art that is street photography. "Street Photography is like fishing. Catching the fish is more exciting than eating it..." Thomas Leuthard. This ebook is a must to read for all photographers who want to try street photography, to know the in and the out.

Street Photography: The Art of Capturing the Candid Moment

It is a street photography guide where even the experienced street photographer will find new elements and inspiration to go out in the public realm to make photography, without labels or rigid rules, stimulating the reader/photographer to find his vision and make his art.

THE STREET PHOTOGRAPHY GUIDE - Alex Coghe

So what exactly is Street Photography and how is it defined? The definition of Street Photography is actually extremely vague. The most accepted "term" states that it is a conducted art that features unmediated and randomness in public places. Something like "serendipity," so to speak.

10 Famous Street Photographers You Should Know

His first photography exhibition was in 1950 at Mark Pepper's Forty Fourth Street Gallery. There were 160 prints in exhibition, and Edward Steichen purchased three for the Museum of Modern Art's collection.

Images from the Collection of the Museum of Contemporary
