understand why the gods must be crazy. The history of the economy as a science has always had a challenge; creating a theoretical model for trying to understand, analyzing and designing ways to investigate relationships within social systems. This exercise is the base in every single step in the line of history, for inventing economic thought.

Film Analysis "The Gods Must Be Crazy. At first glance, "The Gods Must Be Crazy" is an innocent comedy, full of guiltless slapstick and overtly-prolonged gags. Billed as "an epic comedy of absurd proportions," it has become a worldwide cult favorite, earning millions, and Rotten Tomatoes ranks it at an impressive 95%.

Film Analysis "The Gods Must Be Crazy | Regarding Race

"The Gods Must Be Crazy" This film tries to send a message on how globalization can negatively affect a culture such as the Sho tribe of the Kalahari Desert. The people of a technologically advanced and "civilized" culture decide to casually discard an empty "Coca Cola" bottle from the window of an airplane.
