The United States of America is a vast country in North America. It borders on Canada to the north and Mexico to the south, and has a land area of about 9.6 million km<sup>2</sup> (about half the size of Russia and about the same size as China). It also has the world's third-largest population, with more than 320 million people. It includes densely populated cities with sprawling suburbs and vast ...

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.
