Human cannibalism is the act or practice of humans eating the flesh or internal organs of other human beings. A person who practices cannibalism is called a cannibal. The expression cannibalism has been extended into zoology to mean one individual of a species consuming all or part of another individual of the same species as food, including sexual cannibalism.

Quote HSE " Success in managing major Hazards is not measured by the Occupational Health and Safety Statistics but by measuring the performance of critical systems used to control risks to ensure they are operating as intended.. This statement is a very powerful statement and i want to stand on the premise that it should form the basis of assessing and formulating regulation regimes.

"I was born in Mumbai (Bombay) and lived in different parts of India until I moved to San Jose, California, where I now live. Travel inspires my art, but, traveling or not, I try to view the world around me as a traveller would; so whether I'm capturing a moment of calm on the banks of the Ganges in India, or sketching over coffee at my local coffee shop, I aim to look deeply, and with ...

don't miss this wonder This is the 1977 second album by the legendary French bassist. Filled with traditional Celtic and Arabic music influences, it's a largely Eastern-styled affair and though Henri Texier intertwines his double-bass sound deftly around a quirky free-form exploration, with all the instruments taking different playing roles, "with supple buttery wafts of wordless ...
